

Software License and Vendor Service Agreement

This Software License Agreement is made between Acme Software Inc. ('Vendor') and the Client. The Vendor grants a non-exclusive license to use the platform.

Service Level Agreement: The Vendor guarantees a platform uptime of 99.9%. Scheduled maintenance will occur only on weekends with 48 hours notification.

Indemnification and Liability: The Vendor's total liability under this agreement shall be capped at the fees paid in the previous 12 months.

Term and Termination: This agreement is valid for 1 year. The contract will auto-renew for successive 1-year terms unless either party gives written notice of termination 60 days prior to renewal.
